Access Request form is for NEW Users

You do not have Authorized Access granted for this application
To obtain access, please fill out the Access Request Form or contact one of the Application POC's.

AMC maintains Gun Cards for the following cannon types only:
* Tank Main Armament * Mortars * Artillery (Towed and Self Propelled)
AMC does not maintain Gun Cards for the M242 25mm Automatic Gun used on the Bradley Fighting Vehicle (and variants) - Please consult paragraph 5-4 of DA Pam 750-8 for proper maintenance, handling and disposal of the M242 Gun Card.

For proper annotation of DA Form 2408-4, please refer to:
DA PAM 750-8, "The Army Maintenance Management System (TAMMS)".

For service life, inspection and condemnation criteria, please refer to:
TM 9-1000-202-14, "Evaluation of Cannon Tubes"
TB 9-1000-234-13, "Exercising Of Recoil Mechanisms and Equilibrators"

If you are already a TULSA User, request additional UIC or remove UICs here.

Request additional permissions/UICs

Any time a user from a given UIC transfers, PCS's, leave service, or simply no longer needs access to the site, the user MUST send an email to the Commodity Team so that access may be terminated. Neglecting to do so could result in tampered with or inaccurate information on your UIC's Gun Cards.

TULSA Access Request

US ARMY TACOM
TACOM-Unique Logistics Support Applications

Access Request

Welcome,

Please note that TULSA is *not* a complete replacement of AEPS - Only a handful of those applications are here. (See below.)

For more information on which programs are moving where, please see https://www.ilsc.army.mil/TULSA/aepsapps.html

Since we don't have any of your information on file yet, we need you to fill out a simple access request form before you may continue to the TULSA homepage.

If you have any questions, please email the TULSA Helpdesk.

Which TULSA application(s) do you need access to?

Please check only those you know you need right now; you can always request more later.

- ☐ **General Officers Pistol Program**
- ☐ **Gun Card**
- ☐ **MAIR**
- ☐ **MIPR Forms 448 & 448-2** (National Maintenance Program historical/pre-LMP MIPRs; View Only)

Check Gun Card (enables extra fields appear at bottom)

NOTE: The above applications are all that are available on TULSA right now. If the application you want is not yet in the above list, please don't apply yet - A notice will be posted on AEPS when it is time.

The following applications will be coming soon:

Army Loans (ALTS)
Demilitarization Code Management
Demilitarization Code F Instructions
Dormant Stock
Excess Retrograde
Government Furnished Property (GFP)
NET Team
Publications (PRS)
Requisitioning

TULSA Access Request

Justification:

I am a Master Gunner and need to update my cards.

Provide justification for access to the Gun Card. See next page for justification requirements.

Your Information

***AKO username:** master.gunner2 @us.army.mil ☐ **I don't have an AKO account** (More info)

non-AKO .mil email: (If you don't have an AKO email, or want to use this one instead.)

***First Name:** Master

***Last Name:** Gunner

***Phone:** 012-345-6789

DSN Phone:

Fill out all required information.

*Employment type:

- ◉ **Military**
- ○ **DoD Civilian**
- ○ **Contractor**

Make sure this email is correct. Your request may take longer if we can't contact your supervisor.

***Supervisor's (or COTR's) .mil email:** your.boss@us.army.mil (AKO preferred)

Justification

- If you request Read All access your justification must reflect why you require Read All.
  - Read All is reserved mainly for TACOM LARs
- Do not say “its part of my duties or job”.
  - TULSA Administrators need to know what your job is.
- The Armor commodity covers the Abrams Family of Vehicles.
  - Unit Armorers will not be granted access to Armor

TULSA Access Request

Gun Card

*Specify Commodity

- [x] Armor
- [ ] Artillery
- [x] Mortar
- [ ] Stryker

Select the appropriate commodities

- [ ] I need read-only access to all UICs (for LARs)

If you are a LAR, check this box and click submit below.

OR

*Permissions

- ( ) I need READ-ONLY permissions to the following UICs:
- (•) I need View AND Edit permissions to the following UICs:

Choose whether you need to be able to update cards, or just view them.

Enter a UIC: WTU2C0 [Add to list]

(Click a UIC in the list to remove it.)

WTU2A0
WTU2B0

For each UIC that you need, type or paste it in and click the button (or hit the Enter key) to add it to the list.
Make sure all the UICs you need are in the list before you submit.

[Submit]

Click Submit

Additional Information

- Requesting a BN or BDE UIC (usually ending in a double or triple letter) will not grant access to the subordinate unit.
  - W90AAA, WCC9AA are BN or above UICs.

Condemn the cannon tube when 1500 EFC rounds have been fired. Comdemn the cannon when it reaches 4500 EFC rounds.

- Information in the header of the 2408-4 follows the Cannon (Box7) not the tube.
- The data in the Tubes table (circled above) is a brief history of what tubes have been mated to the current Cannon. If there is more than 1 Active tube, you must contact the commodity POC to correct the information.
- The header can only be edited by a TUSLA Administrator.

Entering Non-Firing Data

- Non-Firing data includes:
  - Recoil Exercise
  - Borescope
  - Pullover Gauging
  - Misc Remarks

Administrative Notes

- The create gun card capability has been removed for the Armor and Artillery commodities. If a gun card must be created for those commodities, please contact the appropriate POC for assistance.
- If a mistake is made when entering data, you must contact the commodity POC to have it removed.
- Anytime entries are being made, the user should also verify that the header information is accurate.
- Any time a user from a given UIC transfers, PCS's, leave service, or simply no longer needs access to the site, the user MUST send an email to the Commodity Team so that access may be modified appropriately. Neglecting to do so could result in tampered with or inaccurate information on your UIC's Gun Cards.
