

I want to start taking college classes but I don't know where to start?

I am transitioning from the Army soon! How will I pay for college?

YOU WILL LEARN:

- *How to Select a Degree
- *What to look for in a College
- *Accreditation
(What does it mean? How important is it?)
- *Which GI Bill is best for me? How do I access it?
- *Applying for Federal Education Assistance (FAFSA)
- *Veteran Support
- *What to expect when you get to school

This valuable two-day class offers in depth information for Soldiers pursuing a college education. This course is *especially valuable for Transitioning Soldiers that have chosen the Higher Education Track Through SFL-TAP.*

The facilitator will provide each participant the tools necessary to find the right degree program; research and compare schools and tuition rates; as well as offering information on several funding options to pay for college.

Please contact the SFL-TAP office at 706-545-2308/2309 to sign-up.
