

# MCoE HQ Donovan Research Library

Fort Benning, Home of the MCoE

*...the place Soldiers go for information, 24/7...where ever they are in the world!*

**Smart:** Embraced and implemented new trends in information delivery to ensure Soldiers receive the information they need to succeed. Follow the link to the Virtual Branch for examples at:

<http://www.benning.army.mil/library/>

**Fast:** The Virtual Branch allows 24/7 delivery of current mission/POI required information including online reference, historical documents, language resources, journal databases, battle bibliographies, and student papers. See our Virtual Tour at:

<http://www.benning.army.mil/library/content/virtualTour.html>

**Lethal:** Information is a lethal weapon required by Soldiers training worldwide. The library's collections are developed specifically to support military battlefield engagements, leadership development and Soldier training.

**Precise:** Professional Librarians at Donovan Library have the knowledge and training required to provide Soldiers with the best, most accurate source of information in the fastest turn around time.
