

60TH ENGINEER NEWSLETTER

◆ This month has been an exciting one for the members of the 60th Engineer Company. We began the month with a M-16 zero and qualification range. The 4 day event was ran by 1st Platoon and select Soldiers and NCOs from 2nd and 3rd Platoon. Those who attended were able to zero their weapons and qualify on a pop up target range.

◆ Also this month, members from the company participated in a CLS (Combat Life Saver Class) recertification. The class was designed to teach our Soldiers important skills and techniques to save the life of another service member if they were to become wounded in action.

◆ This past week the Soldiers of 2nd Platoon ran an M-249 SAW (Squad Automatic Weapon) range, which was also successful with no injuries and 100% qualification of our company, as well as other Soldiers in our battalion.

◆ The FRG Bake Sale was a HUGE success. Our FRG Leaders were hard at work planning, preparing and heading up the event. Other Soldiers from the BN also commented on how awesome the event went. The Soldiers got to wear civilian clothes to show their individuality as well as bringing their spouses and children to the event. The morale was high and I was excited to see the family members that were able to join us in the festivities!

◆ Finally, to round out February the company will undergo our annual CBRN (chemical, biological, radiological and nuclear) training, to include a trip to the gas chamber.

◆ It sure has been an exciting month, and March looks like a repeat!

◆ During the month of March, we have other exciting training to include our Company Field Training Exercise. This will allow the Soldiers in the company to be proficient in Mission Essential Tasks that have been compiled by their leadership in order to improve their combat skill sets!

◆ During last quarter, 100% of our company donated to the Combined Federal Campaign. This allowed Soldiers to donate to their favorite charities. Due to the overall success of the campaign, our Soldiers earned a day off. That's right, MARCH 11th 2011 your spouses will be off for the day!

◆ Thank you Jungle Eaters and Jungle Eater Family Members for all you do.

◆ You're AWESOME!!

Cpt. Tessa Jones
