### Commander's Comments

It has been busy as always, as we move into the summer months. Most of you may have noticed your spouse coming home grumbling about laying out equipment, it will end shortly as Change of Command inventories close out. As we move into July I will be bidding everyone farewell and CPT Tessa Jones will be taking the helm come 19 July. Our next FRG meeting, scheduled for 12 July will be a time for Family members to meet and greet her, as well as for her to get to know your smiling faces. We will also be discussing the upcoming Company Organization Day, which will be held at the MWR pool next to Little Caesars on post. This is scheduled for 15 July and a flyer will be sent out shortly. We ask that Families bring a side dish, as the FRG will be supplying the food and drinks. However, as always we need some great grillers for the BBQ. I look forward to seeing everyone there!!! (And as always, we need volunteers.... help!) :)

The PCS'ing of Soldiers within our unit has left a hole in our hearts as well as our FRG. We'll miss our family members and volunteers dearly and are just as excited to meet all of our new family members! Due to this high rate of PCS moves, we currently have many volunteer positions available within our FRG! Now is a great time to get involved, meet new people, have your voice heard and be a part of a great team!
