

Cavalry Warfighter's Forum

03MAR17

Fort Benning, Home of the MCoE

The Cavalry Warfighter's Forum (CWfF) is scheduled from 1300-1400 Eastern Standard Time (EST) on 03MAR17 at the following URL: <https://conference.apps.mil/webconf/CavalryWarfighterForumMar17>

The purpose of this forum is to provide Army Reconnaissance and Security (R&S) stakeholders to collaborate and share information about unit performance, observed trends, changes and updates to doctrine, and current DOTMLPF-P efforts affecting reconnaissance and security operations across all formation types. Presenters will plan for the last 5 minutes of their presentation to be dedicated to discussing the topic among participants

Discussion Topics	
Operational Force Update:	7ID R&S Training Strategy 25th ID CAB Training Strategy 1SBCT 4ID R&S BCT Excursion Update
Training Centers Update:	JRTC R&S Observations and Trends 316 CAV BDE Update
Aviation Center of Excellence (ACoE) Institutional Updates:	Heavy Attack Reconnaissance Squadron (HARS) Air Cavalry Leaders Course (ACLC)
Cavalry Updates:	Cavalry Branch Doctrine Update TCM-Recon Update 3 rd ID

On 021300MAR17 (EST) there will be a presenter's (or representative) rehearsal and connectivity test to verify your slides and systems work properly. The CWfF DCS site will become active on 03 March 2017, starting at 1200 hrs (EST), to sign-in and execute COMMS checks on the CWfF site at the URL above.

Please contact the Armor School CIG, MAJ Mark McClellan at mark.r.mcclellan.mil@mail.mil or (706) 626-1406 for any questions.
