

“Leadership is the capacity to translate vision into reality. “

# Fort Benning's Leadership and Mentorship Forum

## Who Should Attend

Current and aspiring leaders hoping to network while gaining insights and perspectives from a great lineup of accomplished professionals.

## What to Expect

The opportunity to hear from community and service leaders on a variety of influential topics focused on **Developing High Performing Teams** while networking with other current and aspiring leaders from Fort Benning and the Community.

The day will include a unique networking session followed by a distinguished group of leadership presenters.

*\*Bring your business cards and a notebook.*
