## MEDIA ADVISORY: Fort Benning to invite media to cover upcoming events

**FORT BENNING, GEORGIA** – To be efficient with its limited resources, the MCoE and Fort Benning Public Affairs Office will begin distributing electronic news releases of some of its events for local media use rather than inviting local media to attend all on-post events. These ENRs will include, at a minimum, a written summary of the event and either photos, video footage or interviews to support the story. Media are authorized to use all products provided in the ENR to produce a story, and should give credit to the Public Affairs Office where appropriate.

Media will be invited on post to gather coverage of some events, but organizations must RSVP by the stated deadline with the name(s) of the reporter they are sending. The chart below contains a list of upcoming events scheduled now through the second week of July, how they can be covered and the deadlines for RSVP notification.
