COMMUNITY NOTICE: Fort Benning conducting controlled burning Dec. 4.

FORT BENNING, Ga. – The Directorate of Public Works is conducting controlled/prescribed burn in the northeast portion of post today. Winds are favorable and smoke is not expected to escape post.

Prescribed burning helps prevent the occurrence of wildfires stemming from military training activities. Firebreaks around impact areas are maintained annually to contain any wildfires that may be triggered by munitions.

Community members may call 706-545-2238 for more information. Media who would like more information on controlled/prescribed burning should call 706-545-6674 or 706-545-8970.
