

COMMANDER'S BRIEF

Today our unit will be drug tested for illegal substance use. The primary purpose of this test is to ensure our unit's military fitness, and that we are maintaining proper standards of readiness.

Individuals in this unit have been selected on a random or 100% basis for drug testing. There is no probable cause or reasonable suspicion that anyone in the unit is using or abusing drugs or a controlled substance.

Everyone selected for testing will be tested. Anyone not present will be rescheduled for testing at a later date. Every sample collected will be tested for marijuana, cocaine, amphetamines, and at least one other drug. This drug will be chosen on a rotational basis from a group which includes PCP, opiates, and barbiturates.

Collection procedures outlined in AR600-85, the IBTC Guidebook and the UPL Handbook will be followed. All verbal orders connected with the collection procedure are lawful and are to be followed as such. A refusal to comply with orders relating to this collection procedure subjects the soldier to punitive or administrative actions under AR 600-85, AR 135-18, AR 135-178, and AR 635-10.

Does anyone have any questions? The UPL will now provide you with details about the collection procedures that will be used today.
