MEMORANDUM FOR RECORD

SUBJECT: Welcome to the 4th Ranger Training Battalion!

We want to take this opportunity to welcome you and your family to the 4th Ranger Training Battalion (4th RTBn), of the Airborne and Ranger Training Brigade (ARTB), and Fort Benning, GA.

The 4th RTBn consists of six companies which perform a wide variety of missions to support Ranger School, the Maneuver Center of Excellence (MCoE), and the area surrounding Fort Benning. Each of the three Ranger training companies (Alpha, Bravo, and Charlie Companies) have the primary mission to train Ranger students through a demanding program of instruction; members of these companies are all Ranger Instructors (RIs) or Platoon Tactical Trainers (PTTs) and undergo a rigorous certification process before training and evaluating Ranger students. Headquarters and Headquarters Company is the largest company in the battalion and is in charge of providing administrative, operational, logistical, maintenance, communication, opposing force, and medical support. The Ranger Flight Company flies training missions in support of organizations across the MCoE, and the Air Ambulance Detachment flies training and real-world evacuation missions on and off the installation. It is easy to see the important role 4th Ranger Training Battalion performs for the MCoE, the greater Fort Benning community, and the United States Army. We are the best Battalion of the best training Brigade in the world.

Fort Benning is an integral part of the tri-communitiy that includes neighboring Columbus, Georgia and Phenix City, Alabama. An excellent relationship exists with our civilian neighbors, which we suspect you will enjoy.

Your assigned company will appoint a sponsor to help answer questions you and your family may have. Please travel safely, and we look forward to you joining the this great outfit.

Rangers Lead the Way!
