COMMENT NO. 2

Capt Naisbitt/lbl/51112

1. This office concurs in paragraphs 2, 3 and 4, attached draft.
2. With reference to paragraph 1, the following comments are submitted:

a. Although Section II, GO 348, Hq Third US Army, 9 October 1959, organized The Student Brigade, United States Army Infantry School (Field), records do not reflect that official action has been taken to effect status of The School Brigade.

b. It is noted that proposed general order makes no reference to companies D, I or K, ISD. Records of this office indicate that these companies are still assigned to ISD, therefore, general order should make provisions for change in status of these companies.
