CHAPTER 1
GENERAL INFORMATION

1-1. COURSE OVERVIEW: The Basic Leader Course (BLC) is the first step in the Noncommissioned Officer Professional Development System (NCOPDS). BLC’s Program of Instruction (POI), which is non-MOS specific, taught in a non-live-in environment, using small group classroom instruction with practical application, followed by hands-on performance-oriented training conducted in a field environment, culminating with an extensive situational training exercise (STX). Small Group Leaders (SGL’s) assess the students’ leadership potential and evaluate their ability to apply lessons learned, and effectively lead their classmates in a tactical environment. BLC produces competent junior NCO’s who are qualified team/section/squad leaders, trainers of leader and Warfighting Skills. BLC graduates are teachers of individual and collective training. BLC instills self-discipline, professional ethics and establishes the foundation for follow-on training in leader development.

1-2. CURRICULUM: The POI consists of three blocks of instruction: Leadership, Training, and Warfighting. The United States Army Sergeants Army Academy (USASMA) has designed an educational philosophy to challenge the students through a thorough academic regime. The BLC tests students’ comprehension of the subject matter by using train-the-trainer techniques and performance evaluations. The POI enhances those skills with which students are familiar and develops new skills that students will need in the performance of their future NCO duties. Students will receive a laptop equipped with internet for researching and daily classroom instruction.

1-3. PRIVATELY OWNED VEHICLES (POV): POVs must be inspected by the BLC Cadre during in-processing. Notify Cadre of any POVs brought after in-processing to complete the mandatory inspection. All POVs must meet post and state safety inspection. When students are allowed to go home, the use of POVs is authorized. After first formation of the day, students are not allowed to go back to their POV. Students must provide the following for inspection:

(1) Valid state vehicle operator’s license.
(2) Proof of vehicle liability insurance.
(3) Evidence of ownership in the form of a valid state registration certificate.
(4) If the vehicle is the property of another person other than the registrant or his dependents, he must present a notarized statement from the owner granting him permission to register and operate the vehicle.

1-4. MOTORCYCLES: Motorcycles must be inspected by the BLC Cadre no later than training day 3. Notify Cadre of any motorcycles brought after day 3 to complete the mandatory inspection. All motorcycles must meet post and state safety inspection and installation registration requirements. When students are allowed to go home, the use of motorcycles is authorized. Once motorcycles are parked for the day, students are not allowed to go back to their motorcycles unless permission is given by the BLC Cadre. Students must provide the following for inspection:
(1) Valid ID card.
(2) Valid state vehicle operator’s license.
(3) Proof of vehicle liability insurance.
(4) Evidence of ownership in the form of a valid state registration certificate.
(5) Authorized PPE.
(6) Motorcycle Basic, Advance or Sport Bike Training in the past three years.
(7) If the vehicle is the property of another person other than the registrant or his dependents, he must present a notarized statement from the owner granting him permission to register and operate the vehicle.

1-5. PRIVATELY OWNED WEAPONS (POW): No privately owned weapons (POW) allowed in the course.

Students who fail to meet established test standards after two separate evaluations (i.e., original test and one re-test), will be recommended for dismissal due to academic failure.

4-6 INITIAL ISSUE AND TA-50 INVENTORY AND INSPECTION: All equipment on the packing list must be present, clean, and serviceable upon reporting to BLC. Small Group Leaders will inspect each Soldier’s equipment and record all deficiencies during in-processing. If a Student is missing any required documents or equipment, the
sponsor will have 72 hours to correct the deficiency. Failure to correct deficiencies will result in the Student receiving a negative DA Form 4856 and a call will be made to the Student’s senior unit leadership to correct the deficiency. Equipment and Documents can be dropped off at the Senior Small Group Leader Office (BLDG# 73, Bravo section, 1st floor).

4-7 INSPECTIONS: The Cadre and student chain of command will conduct daily inspections of the barracks, common areas, and all police call areas to ensure high standards are maintained. The barracks are subject to inspection at any time. An in-ranks inspection is conducted daily unless otherwise directed by the training schedule. Individual deficiencies are noted and the student is required to make the necessary corrections. During inclement weather, the squad will conduct their inspection in the barracks or classrooms.

4-8 STUDENT LEAVES AND PASSES: This section establishes procedures for leaves and passes for students attending BLC. All personnel absences will be in compliance with AR 600-8-10.

a. BLC will ONLY consider passes for UNUSUAL or EMERGENCY situation for students

b. Student Pass Procedures: Passes are authorized absences not chargeable as leave. Students in a NO- GO or dismissal status will not be authorized passes. All required pass documents can be obtained from the Student’s SGL. The approving authority for all passes is the Branch Chief. All Soldiers will complete POV inspections and maintained at the classroom level prior to taking passes. Students who are flying will be released COB the last working day prior to the pass starting. All students will physically sign out and sign in at the NCOA staff duty office. All students on pass are required to physically sign in NLT 2200hrs on the last day of their pass at the SDNCO Desk. Students are also subject to a recall formation on the last day of the pass. In addition to all passes, the Soldier’s chain of command will be notified by BLC for consensus of pass granted.

d. Mileage Pass Restrictions:

   (1) 50 miles or less no pass form is required.

4-9 ACADEMIC EVALUATION REPORT (DA FORM 1059): The Academic Evaluation Report (AER) is designed to portray the accomplishment and the leadership potential that an individual demonstrates while attending the NCOA. A maximum of 20% of class enrollment may have block 11A, "Exceeded Course Standards" annotated on their AER. The Academy prepares the AER immediately prior to graduation or in conjunction with dismissal. The student must ensure that he
has a copy of their AER in possession prior to departing the Academy area. It is the student's responsibility to ensure all personal data is correct on the AER prior to leaving the Academy area.

**a. EXCEEDED Course Standards:** The following guidelines represent the minimum considerations for this rating (limited to 20% of class enrollment):

1. Displayed superior performance, Army Values, and the Whole Soldier Concept throughout the course.
2. Received a first time GO on all examinations/evaluations and has an overall academic average of 90% or higher on the combined requirements.
3. Has a SUPERIOR rating in three or more rated “DEMONSTRATED ABILITIES” in Block 12 of the AER.
4. Did not receive any adverse developmental counseling.
5. Presented superior military appearance and bearing throughout the course.

**NOTE:** If more than 20% of the students exceed course standards, use student academic scores to determine standing.

**b. ACHIEVED Course Standards:** For students who achieve course standards but do not meet the above criteria, the following guidelines represent the minimum considerations for this rating:

1. Have an academic average of 70% or higher. This includes all examinations and performance evaluations.
2. Have not received more than two adverse developmental counseling (neither for the same offense- excludes counseling for academic shortcomings).
3. Have as a minimum, a satisfactory rating in the demonstrated abilities block 12B, C, and D, of the AER.

**c. MARGINALLY ACHIEVED Course Standards:** For students who achieve course standards and do not meet the above criteria, the following guidelines represent the minimum considerations for this rating.

1. Received a minimum of “Satisfactory” ratings in block 12, but required retesting on 50% or more course graduation requirements.
2. Received three or more adverse developmental counseling’s (excluding counseling for academic shortcomings). Refer these students to the Commandant for dismissal consideration.
3. Students whose personal characteristics, behavior, attitude, conduct, or overall performance does not justify dismissal, but warrants documentation.

**d. FAILED TO ACHIEVE Course Standards:**

1. Failed to meet any course graduation requirement.
2. Dismissed from the course IAW regulatory guidance.

**4-10 STUDY HALL:** Students are encouraged to attend study hall at the times
listed on the training schedule to prepare for the next day of training.

a. All students will attend a one-hour study hall prior to any retest of any written examination. No one is excused from this study hall without the approval of the Commandant.

b. The Commandant directs that only those students who fall in the categories listed below attend a one-hour mandatory study hall as annotated on the training schedule:

   (1) Students who fail any exam or evaluation.
   (2) When SGLs have determined a student has poor study habits or is having difficulty retaining information.
   (3) Students who are not adequately preparing themselves for the next day’s training as identified by their SGL.

4-11 ATTENDANCE: Attendance at training events is mandatory for all students. Any student who has an official or medical appointment, quarters, or any emergency that causes him to miss four or more academic hours of programmed instruction will be considered for release from the course. All training is critical and time does not permit the student to recover before moving on to the next subject. When enrolled in BLC, your place of duty is BLDG 73. BLC Cadre may authorize you to be at another location or as specified by the training schedule. If for some reason you find it necessary to leave your place of duty, you must utilize the student and Cadre chain of command for authorization. In all emergency cases, the Branch Chief will be notified immediately. Prior to attending BLC, the student should make every effort to reschedule any appointments. Appointments not rescheduled will be dealt with on a case-by-case basis. As a rule, no outside appointments are honored while attending BLC. Only leaves of an emergency nature are granted. Students will be released from the course and returned to parent unit for processing emergency leave. TDY student’s units arrange for transportation to and from Fort Benning. Personnel going on leave upon completion of BLC must have a DA Form 31 approved from their parent unit.
4-12 ACCOUNTABILITY: Due to the nature/structure of the course, 100% accountability is maintained at all times by Cadre and student chain of command. Students will not leave their place of duty without the permission of BLC Cadre. Normally, a duty day is from 0530 to 2000. After duty hours, the student chain of command is responsible for accountability. Students serving in leadership positions will know the whereabouts of Soldiers, and create a student alert roster in order to contact students when necessary. BLC Cadre and the training schedule will define the duty hours and after duty hours. Cadre will conduct accountability inspections on a random basis, and unannounced muster alerts after duty hours will be conducted throughout the course. Failure to be accounted for as directed will constitute an absence.

4-13 RECOMMENDATIONS, COMPLAINTS, AND GRIEVANCES: The Commandant and Branch Chief have an open door policy (see NCOA Policy #1). The Branch Chief, SSGL, and SGLs are available to provide counseling and can hear concerns, complaints, recommendations, and grievances at any time. Students with personal problems or grievances should utilize the proper chain of command and see their SGL first. Every effort will be made to solve student problems at the lowest level.
CHAPTER 5
STUDENT HONOR CODE SYSTEM

5-1 STUDENT HONOR CODE: Honor is the guiding principle of every endeavor involving the profession of the Army. Integrity is a basic attribute demanded of every Noncommissioned Officer. This personal quality requires, among other things, that “Your work must be your own”. Examinations and performance oriented training evaluations are given throughout the course. Each individual student prepares presentations. This work is evaluated based on individual effort. Each student’s work will be entirely original in every manner. The copying of another student’s work violates the intent of the Honor Code. Students are encouraged to work together, utilizing the team concept; however, the final result will be original. The honor system does not cease with academic honor and integrity. It also applies to the observance and adherence to rules, regulations, and policies. To knowingly violate a rule, regulation or policy whether or not this violation is discovered, is a discredit to your word of honor. It is your responsibility as a student and as an NCO to report violations of rules, regulations, and policies immediately to the chain of command. Failure to do so is a violation of the Honor Code, and any violation of the Honor Code is grounds for dismissal.

a. Academics: All presentations, examinations, homework assignments, classroom work, practical exercises, and evaluations must be your own work. This is not to preclude or prohibit you from studying together in preparation for presentations, examinations, homework assignments, classroom work, practical exercises, and evaluations. However, during presentations, examinations, homework assignments, classroom work, practical exercises, and evaluations, the student’s work must be their own. The work of the individual students must reflect their own originality and techniques. Honor violations of the section include, but are not limited to:

   (1) Cheating.
   (2) Copying and/or using someone else’s work as your own.
   (3) The Written examinations are an open book, open note examination. Do not share information or acquire information from other students during the examinations.

b. Personal Conduct: All actions of the student must be in keeping with the highest standards and conduct of the Noncommissioned Officer. Whether on or off duty, student actions must set an example of conduct above reproach. Honor violations of this section include but are not limited to:

   (1) Lying or dishonesty.
   (2) Theft, stealing, or gambling or using gambling machines.
   (3) Consumption of alcoholic beverages during duty hours.
   (4) Possession, distribution and/or use of any illegal or controlled drug/substance at any time.
   (5) Student-faculty personal financial transactions of any type.
   (6) Possession of any unauthorized weapon or the unauthorized transportation of
a weapon in a POV.
(7) Conviction under the provisions of the Uniform Code of Military Justice (UCMJ) or conviction in civilian court (except for minor traffic violations).
(8) Failure to comply with written or oral instructions, regulations, or SOPs.
(9) Intentionally rendering a false report to mislead a member of the NCOA Cadre.
(10) Any action, which shows a lack of motivation on the part of the student.
(11) Any disregard or blatant violation of military customs and courtesy.

c. Personal Rights: All interaction between students must create a climate of teamwork and professional cooperation, where the rights and dignity of the individual Soldier are preserved. Honor violations of this section include but are not limited to:

   (1) Fraternization.
   (2) Sexual harassment.
   (3) Disregard for human relations and/or equal opportunity policies.

d. Reporting Violations: Students who commit a violation of the Honor System must report the violation immediately to any Academy Cadre member. A student witnessing or having first-hand knowledge of a violation must report the violation, even if the person who committed it did not. Any student having knowledge of a violation and fails to properly report it is also guilty of violating the Honor System.

e. Consequences: Violations of the student Honor System are not tolerated. A student in violation of any provision of this system is subject to disciplinary release. In all cases, the Commandant determines student releases under the provisions of the Honor System.

Henry Caro NCO Academy Honor Code

The concept of the Honor Code among Soldiers evolved centuries ago when individuals first banded together in order to establish a system for defending their land and property. Through the years, servicemen and women have grown from small bands into well-organized groups. In all such groups, leadership positions and Honor Codes have developed within them. Leaders established guidelines and regulations, which were carried out and enforced by their subordinates. Subordinates also relied on the honesty and integrity of their leaders. This situation persists in our present day Army. Leaders still rely on the honesty and integrity of the Soldier, and your word is accepted as truth. If your actions are such that honesty and integrity may be questioned, then the leader not only jeopardizes his/her position and status, but the position and status of those who work for them. The basic concept of the Honor Code is that a noncommissioned officer does not lie, cheat, or steal. In its most practical application, it means that an individual's word is his/her bond. Attendance reports are presumed to be correct since noncommissioned officers render them to officers. The Henry Caro Noncommissioned Officer Academy
Honor Code system operates on the principle that integrity is an essential attribute. It is not designed to stifle individual academic freedom, preclude the sharing of knowledge, or interaction with fellow students; however, all graded requirements, oral, written, or hands-on must be an individual effort. As a leader and student, I will always tell the truth and keep my word. I am above dishonesty, cheating, quibbling, and evasive statements. I will always respect the property rights of others and the government. I am aware that my signature is my bond. If I violate the Honor Code, I expect neither immunity nor special treatment. I am honor bound to report any breach of honor that comes to my attention. As a Noncommissioned Officer, I desire responsibility and expect accountability for my actions.
CHAPTER 6
ACADEMIC AND PERFORMANCE HONORS AND DISMISSALS

6-1 NCOA HONORS: Not more than 20% of class enrollment, based upon the criteria listed below, will be selected for the academic honors. In addition, there is a performance award for Leadership. These awards are described below. Each awardee will have special annotations made on their AER.

Consisting of push-ups, sit-ups, and the two mile run, the award is presented to the student with the highest score against his peers. The use of the extended scale scoring is authorized. The student can have no adverse counseling to receive this award.

NOTE: Student will not be eligible if he has received any adverse counseling. Should
a tie occur, the first tie breaker will be the Student’s composite score. Should a tie still exist then a 5 question exam will be given to the students by the Branch Chief or SSGL to determine the Award winner.

6-2 DISMISSALS:

a. Administrative: Administrative release from BLC is reviewed by the Deputy Commandant on a case- by-case basis and determined by the Commandant based on the Deputy Commandant’s recommendations. Reasons for release include compassionate transfer, emergencies, unit recall or other reasons beyond the control of the student. The student is eligible to return to the course as soon as the situation is resolved. Administrative releases are not adverse in nature. Released students may return to the course as soon as the condition is resolved.

b. Medical: Medical release is a type of administrative release and is reviewed by the Deputy Commandant on a case-by-case basis. The Commandant determines the release based on the recommendation of the Deputy Commandant. Reasons for a medical release include injury or illness resulting in unreasonable delay and/or loss of training time, or being prohibited from participating in any required training. Medical releases are not adverse in nature. Released students may return to the course as soon as the condition is resolved.

c. Academic: Academic release is based upon failure to achieve a GO on any performance evaluation within two attempts. Academic releases are considered adverse IAW AR 600-8-19, Soldiers failing required NCOPDS for cause or academic reason will be removed from the promotion standing list. A Soldier released for academic reasons may re-enter the course when both the unit commander and the Commandant determine that the student is prepared to successfully complete the course and is once again in a promotable status. Students released for Academic reasons receive an AER with adverse comments.

d. Disciplinary: Disciplinary releases are reviewed by the Deputy Commandant on a case-by-case basis and are considered adverse in nature. The Commandant will determine release from the course based on the recommendation of the Deputy Commandant. Students released for disciplinary reasons are not allowed to return to any NCOPDS Course for a period of six months. Additionally, Soldiers eliminated for cause may be barred from reenlistment, receive non-judicial punishment, or be reclassified (Ref AR 350-1). Finally, the Soldier is removed from the promotion standing list (Ref AR 600- 8-19) and receives an AER with adverse comments. Disciplinary releases include (but are not limited to):
(1) Violations of Academy policies or Army regulations.
(2) Lack of self-discipline or motivation.
(3) Conviction under the provisions of the Uniform Code of Military Justice (UCMJ) or conviction in civilian court (except for minor traffic violations).

6-3 APPEALS PROCESS: Any student released from the course has a right to an appeal. An appeal is a request to the Commandant to reconsider his decision to release the student from training. Other appeal information includes:

a. The student will acknowledge by endorsement within two days receipt of the written notification of dismissal action. The endorsement must indicate whether or the student intends to appeal the dismissal action.

b. If a student decides to appeal, he immediately returns to training until the matter is decided.

c. If the student elects to appeal, he must submit an appeal statement within seven days after receipt of the written notification of dismissal action. Appeals will be submitted to the Commandant.

d. After receiving the student’s written request for an appeal, the Chief of Training submits the entire packet to the Staff Judge Advocate (SJA) for legal review.

e. The SJA review is the attorney’s opinion on the legality of the packet and the reasons for dismissal. It is not the final decision as to the disposition of the appeal, but rather an unbiased legal opinion based on the items included in the packet.

f. After the SJA review, the Chief of Training hand-carries the entire packet to the Commandant. The Commandant reviews the packet, considers all mitigating circumstances presented by the student in the written appeal, and renders a final decision. The Commandant may choose to allow the student a second retest or dismiss the student from the course.

6-4 RETURNING TO BLC AFTER BEING RELEASED: You are subject to your unit’s discretion as to when or if you will return to the Academy to complete the course. This Academy does not control whether or not you return to training. You will have to be
reentered on your unit’s order of merit list and wait your turn. Soldiers released as academic or disciplinary releases are removed from the promotion standing list for failure of NCOES course (Ref AR 600-8-19). Those Soldiers have to be re-recommended for promotion and return to the unit promotion board before being added to the unit order of merit list. These Soldiers also must provide proof of retraining, verified by their current unit commander, before reenrolling. Students released before graduation (for any reason) are required to start from the beginning of the course when returning to training.
