

2017 Maneuver Warfighter Conference:

CROSS-DOMAIN MANEUVER

Welcome to the 2017 Maneuver Warfighter Conference at Fort Benning, Georgia. This year's conference focuses on developing a common vision to adapt the Maneuver Force for the current and future Operating Environment. The three-day conference will begin with an overview of the Operational Environment and Cross Domain Maneuver. The following two days will focus on the Maneuver Force Modernization Strategy, including training and leader development and materiel modernization strategies for Cross Domain Maneuver. Please refer to the agenda for the detailed schedule of events. I look forward to your input, collaboration, and participation.

One Force, One Fight!
