**FORT BENNING, Ga.** – Currently there are two wildfires burning in the A-20 and K-15 impact areas. The fires are contained but will be continuously monitored. East winds are predicted and all areas of Fort Benning can expect haze and smoke for the next few days.

Smoke from K-15 will drift towards the west in the direction of east and south Columbus. As winds slow down during the night, Harmony Church Cantonment area may be affected by smoke.

Smoke from A-20 will move towards Lawson Army Airfield and South Main Post.
