Dear Last Name, First Name,

It is our pleasure to welcome you to the 14th Combat Support Hospital, Fort Benning, Georgia. Our unit is organized under the 44th Medical Brigade, Fort Bragg, and patch. Our motto reflects the pride we have in our mission to organize, train and deploy tailored forces in decisive and contingency operations.

The 14th Combat Support Hospital was originally constituted on 23 June as the 14th Field Hospital. The unit has participated in WWII in the Aleutian Islands, Rhineland, and Central Europe. The unit also served with pride in the Korean War, supported disaster relief during Hurricane Katrina, and deployed to Iraq from July 2009 to June 2010 and to Afghanistan from January 2006 to January 2007 and again in September 2012 to June 2013.

Fort Benning is located in west central Georgia, and is home to the Army's Maneuver Center of Excellence. The Chattahoochee Valley offers an exceptional quality of life with big-city excitement and small-town charm. You can enjoy your favorite outdoor activities at any time of the year, thanks to the region's mild climate.
