U.S. Army Mission and Installation Contracting Command

Welcome to the MICC

MISSION: The MICC provides Army commands, installations, and activities with disciplined and responsive contracting solutions and oversight. On order, provides trained and deployable Contracting Support Brigades to the Operating Force.

VISION: We do the right thing every day and are known as the Army's premier contracting organization

**BG Jeffrey A. Gabbert
Commanding General**

ADVISORY

- These data are provided to assist you in preparing your business plan for the upcoming fiscal years and assessing whether you may be interested in submitting an offer/bid in response to a solicitation for such a requirement. MICC cannot guarantee that it will issue a solicitation for the exact requirement or within the same range of value for the current contract price. Moreover, this information does not constitute sensitive source selection materials nor is it intended to provide any potential offeror/bidder any type of competitive advantage should MICC issue a solicitation for the requirement. If you have additional questions, please contact the designated contracting officer.
