

22-02 Movers,

The Battle Hard Brigade Command Team would like inform you about possibilities for assignments here in the 194th Armored Brigade at Fort Benning, Georgia.

The 194th Armored Brigade is an organization of **Professionals; it is who we are, how we act, and what we build!** Grounded in the Army Values, we are a motivated, disciplined, competent, and competitive team committed to training the future generation of the United States Armor and Cavalry Soldiers. Our mission is to build readiness for our Nation's Army through the reception and training we provide to volunteer civilians, and through our focus on the readiness of our permanent party.

The benefits of joining the Battle Hard Brigade are both professional and personal. We have a passion for developing our leaders for their future. Additionally, a TRADOC assignment is an excellent opportunity to operate in a predictable environment, prepare for follow-on assignments, and attend schools which are critical to an officer's career progression. Fort Benning also has some of the best community resources in the Army, many of which are linked below using QR codes. The Battle Hard Brigade is currently recruiting officers between the grades of O-1 and O-4 for both staff and command positions. We look forward to hearing from you!

Thomas D. Yaudas
Brigade Command Sergeant Major

Jason H. Rosenstrauch
Brigade Commander
