MEMORANDUM FOR RECORD

SUBJECT: Request for Approval of Off-Duty Competing in Sanctioned Sporting Events

1. I, James. D. Stelly, request permission to compete in the Bellator Fighting Championship, which is similar to modern Army Combatives, in order to stay up to date with the top fighters in the world. The event is on 17 April 2009 in Norman, OK.
2. I understand that all competitions have to be reviewed by my NCOIC/OIC prior to competing and that written counseling documenting the name and date/time of the event must be completed prior to my participation.
3. I understand that I am not permitted to wear clothing that bears any resemblance to a military uniform and/or Army logos. I understand that I am not representing the United States Army Combatives School, the 29th Infantry Regiment or the United States Army in any way, shape or form.
4. I understand that participation in unauthorized fights and/or misrepresentation of the United States Army will result in the loss of competition privileges and possible punishment under UCMJ.

TO:

1. Your request for off-duty employment is approved / disapproved. In making this decision I have determined the proposed off-duty competing
 - a. Does/does not interfere with the performance of your official duties.
 - b. Does/does not detract from readiness.
 - c. Does/does not pose an unreasonable risk of harm.
 - d. Is/is not consistent with military service.
2. Should the circumstances surrounding any approved competition significantly change, you must resubmit your request.
4. POC for this memorandum is the undersigned at 706-545-2811 or 706-604-7149.
