**Notables NOT in attendance - ACES**

**WHAT:** MCoE Soldier Life Cycle Information Briefing

**WHEN/WHERE:** 14 April 2016, 1000 – 1100 @ SFL-TAP

**Why:** Share information, develop assessment of current unit status and design way forward

**Outcomes:** Mr. Perez and Mr. Wilson provided information on current programs and how Ft. Benning envisions the Soldier Life Cycle implementation. Units in attendance are now aware of how the installation can assist and support their efforts to help Soldiers in-process and transition. More information is needed regarding ACT and other tracking programs before full implementation can be achieved.
