The Army's Career Skills Program (CSP) prepares Soldiers for civilian employment through first-class apprenticeships, on-the-job training, job shadowing, internships and employment skills training up to 180 days prior to separation from the Army.

Thank you for your interest in our Army Career Skills Program here at Fort Benning, Georgia. If you are Transitioning Soldier within 6, 12 or 18 months, we would like to share information about our program.

HOW TO APPLY

Soldiers are eligible to participate in one Army CSP up to 180 days prior to separation from the Army and after completion of the mandatory 5-day SFL-TAP workshop. The use of permissive temporary duty (PTDY) to attend a CSP more than 50 miles away from the Soldier's duty station may be granted at the Commander's discretion. Visit our Fort Benning Career Skills Program website to print a CSP Application Packet.

PTDY authority requires Commanders to establish command and control procedures and to ensure accountability during the duration of the CSP. Soldiers must also counseled on their financial responsibilities during PTDY status to attend an approved CSP for more than 50 miles from their duty station.
