

NCR Field Service Technician Career Opportunities

Our Field Service Technician Training Program introduces you to NCR

Army Career Skills Program (Partner) Fort Benning, GA

Every day, there's a good chance you interact with NCR. Whether buying gas at the pump, checking your balance on a banking app, ordering dinner or using self-checkout, NCR is likely behind that transaction - and millions more every day in the retail, banking and hospitality industries.

As part of NCR's Field Service Technician Training Program, you will:

- Utilize the technical, mechanical and troubleshooting skills you already have in a customer-centric environment
- Gain knowledge in our Banking, Hospitality or Retail business
- Build trust and relationships through a customer services mindset
- Have the chance to become part of a team that solves problems and makes a difference

Upon successful completion of our Field Service Technician Training Program, you will have an opportunity for full-time employment with NCR.

Full-time benefits include:

- Company vehicle, company laptop and phone
- Company tools, parts and equipment
- Paid vacation and holidays
- 401k savings plans
- Medical insurance

You are:

- Someone who can communicate in a way that drives purpose and value
- Skilled in working with technical and mechanical equipment
- Confident in your skills as a transitioning soldier
- Flexible, driven, organized and team-oriented

You have:

- A high school diploma or equivalent
- Up to a year-related experience
- A strong back (this position requires lifting up to 50 lbs, squatting, walking, standing and/or sitting for prolonged periods)

Apply today for the **NCR's Field Service Technician Training Program!***
