

It's easy to make a difference...

RECYCLE your printer cartridges!

Place used printer cartridge in box from the new cartridge. Tape box shut.

Place box with used cartridge next to recycle bins.

NOTE: Only recycle printer cartridges that do not get picked up by the vendor.

You can make a big difference!

In one year, if the world's discarded cartridges were stacked end-to-end, they would circle the earth **TWICE**.

8 ink cartridges are thrown away every second in the United States

Ink Cartridge Recycling Facts

- The average laser printer cartridge can be remanufactured 3-4 times.
- More than 350 million printer cartridges are discarded in landfills annually.
- It takes 1,000 years for a print cartridge to fully decompose in a landfill site.

100 recycled print cartridges CAN SAVE...

1.6 GALLONS OF OIL

&

200 POUNDS OF WASTE OUT OF A LANDFILL
