1. The Hall of Fame is intended to honor graduates of the Officer Candidate School Program who have distinguished themselves in military or civilian pursuits. The Hall of Fame is an honor bestowed upon deserving individuals that have reflected great credit upon the federal and state OCS programs as an alumni or by direct interaction with the program. Selection to the OCS Hall of Fame places an individual in a group recognized as equals which include a former Vice President of America as well as valorous newly commissioned officers that gave their life so others might live.

2. The criteria below is intended for alumni killed in action or service to the nation during their life and are deserving of continued honor though no longer living. Criteria and procedures for nominating living alumni are on a separate document.

Much of the information can be obtained through the National Personnel Record Center, located in Saint Louis, Missouri, or by submitting a Standard Form 180. The SF 180 can be downloaded with instructions at [http://www.archives.gov/veterans/military-service-records/standard-form-180.html](http://www.archives.gov/veterans/military-service-records/standard-form-180.html). The NPRC reports processing times for DD-214 forms within 10 days; more extensive requests may take up to 6 months or more to complete.

6. If the alumni you are nominating separated from the Army between 1 November 1912 and 1 January 1960, there is an 80% chance that their records were lost in a fire that occurred in 1973 at the NPRC.
