5 June 2018

ATSH-TPP

MEMORANDUM FOR ALL COMPANIES IN 1-507TH

SUBJECT: Procedure for Airborne Course Walk-Ons

1. PURPOSE: The purpose of this policy letter is to inform all units of the 1-507th PI R's Airborne Course walk-on procedures and to outline student accountability's role in the approval process.
2. In accordance with DoD Policy students are required to have a valid ATRRS reservation for the class they are in-processing.
3. Exceptions to this guidance will be made on a case by case basis by the Battalion Commander or Battalion Command Sergeant Major. The request for an exception must be made a minimum of 2 weeks in advance.
4. Walk-on students will not be admitted into a BAC class if it exceeds 420 students due to safety considerations and logistics. Priority for the class remains ATRRS reserved slots. The number of walk-on seats available per class is dependent on the number of A TRRS reserved slots.
5. The priority for walk-on slots is:
 - a. Cadre assigned to the MCoE in a Paid Parachute Position
 - b. MCCC IN Graduates on order for an Airborne Assignment
 - c. BOLC Graduates on orders for an Airborne Assignment
 - d. Cadre award winners from within MCoE (includes drill sergeant of the cycle, instructor of the quarter, etc.)
 - e. IBOLC graduates, who also graduated from Ranger (timeline may not be the immediate week following Ranger)
 - f. Ranger graduates (starting the Monday following graduation)
 - g. Cadre assigned to the MCoE
 - h. All Others prioritized by the 507th Student Accountability Office on Day 1
6. The student operations NCOIC will inform the Battalion Commander or CSM if a soldier meeting the priority requirements for a walk-on slot is turned away.
7. Point of contact at the Airborne School is the Student Accountability NCOIC at (706)-545-7667.
