

Basic Airborne Course (BAC) Graduation

Graduation will occur at 0900 for classes that graduate from 01 APR to 29 SEP and 1100 from 01 OCT to 31 MAR. Families should check the US Army Airborne School facebook page for the latest updates and changes to graduation timelines.

Graduation General Rules

- Families in spectator areas are encouraged to socially distance.
- Guests will only be allowed to interact with students for a short time during graduation and after release from the company.
- Some graduates will leave for their first unit later the day of graduation, and interaction may be limited.
- Guests are not allowed within the Company Areas.
- DoD Policy strictly prohibits the issuance of blood wings.

Seating Plan

- Families may seat anywhere within the bleacher area.
- If you know your Soldier's platoon, you can seat with 1st and 2nd platoon to the left, and 3rd and 4th platoon to the right (as shown in the picture to the right).

Execution Concept

- Silver Wings will conduct Military Freefall into the graduation area.
- Graduates will march to the formation area.
- Remarks begin.
- Graduates will open ranks and receive airborne wings from Airborne Instructors.
- Graduates will close ranks followed by speaker closing remarks, then march off the field.
- Families will have time with the Soldiers once released from BAC.

BAC Graduation Strip Map
