

## **Airborne and Ranger Training Brigade (ARTB)**

### **Controlled monitoring Student Statement of Understanding**

I understand while conducting controlled monitoring at Camp Cornett or Camp Rogers, I will abide by the directives below. These guidelines are in place to mitigate the risk of the contraction and spread of the deadly Coronavirus disease, and to maximize students' ability to safely conduct training as scheduled.

Violation of any of the below standards will compromise my status and I may be removed from the site(s) and immediately returned to my unit.

1. Outside visitors are not allowed on Camp Cornett or Camp Rogers to mitigate the risk of infecting the trainee population. This is to include, but not limited to, outside vendors, delivery services, friends, family, etc. Authorized items may be coordinated for drop off through the controlled monitoring site duty NCOIC.
2. Due to the transient nature of personnel in any controlled monitoring site, mail will not be delivered. All mail will be addressed for the military course of attendance and will be received in accordance with scheduled periods in the course.
3. Civilian clothes are not authorized for wear while on Camp Cornett or Camp Rogers. Only military uniforms worn IAW AR 670-1 are authorized for wear (i.e. OCP's, PT's).
4. In effort to minimize risk of exposure/spread of COVID, all personnel will wear a face mask at all times except when conducting PT, eating, in the shower, or sleeping.
5. Cohort integrity will be maintained at all times. Contact of personnel between separate cohorts is unauthorized to prevent cross contamination and viral spread, which could lead to multiple cohorts of students being quarantined/isolated and, unfortunately, removed from the training population.
6. Personnel will depart assigned controlled monitoring areas only when authorized by ARTB Cadre. Designated PT run routes are the only authorized exception.
7. While using the MWR WiFi, access of un-authorized DoD websites is prohibited in accordance with DoD directive 5200.27.
8. All DoD policies, regulations, and guidelines still apply in regards to safe and responsible use of social media.

I have read, understand, and will comply with the above rules and guidelines.
