

Resources To Prepare for Large Scale Combat Operations (LSCO)

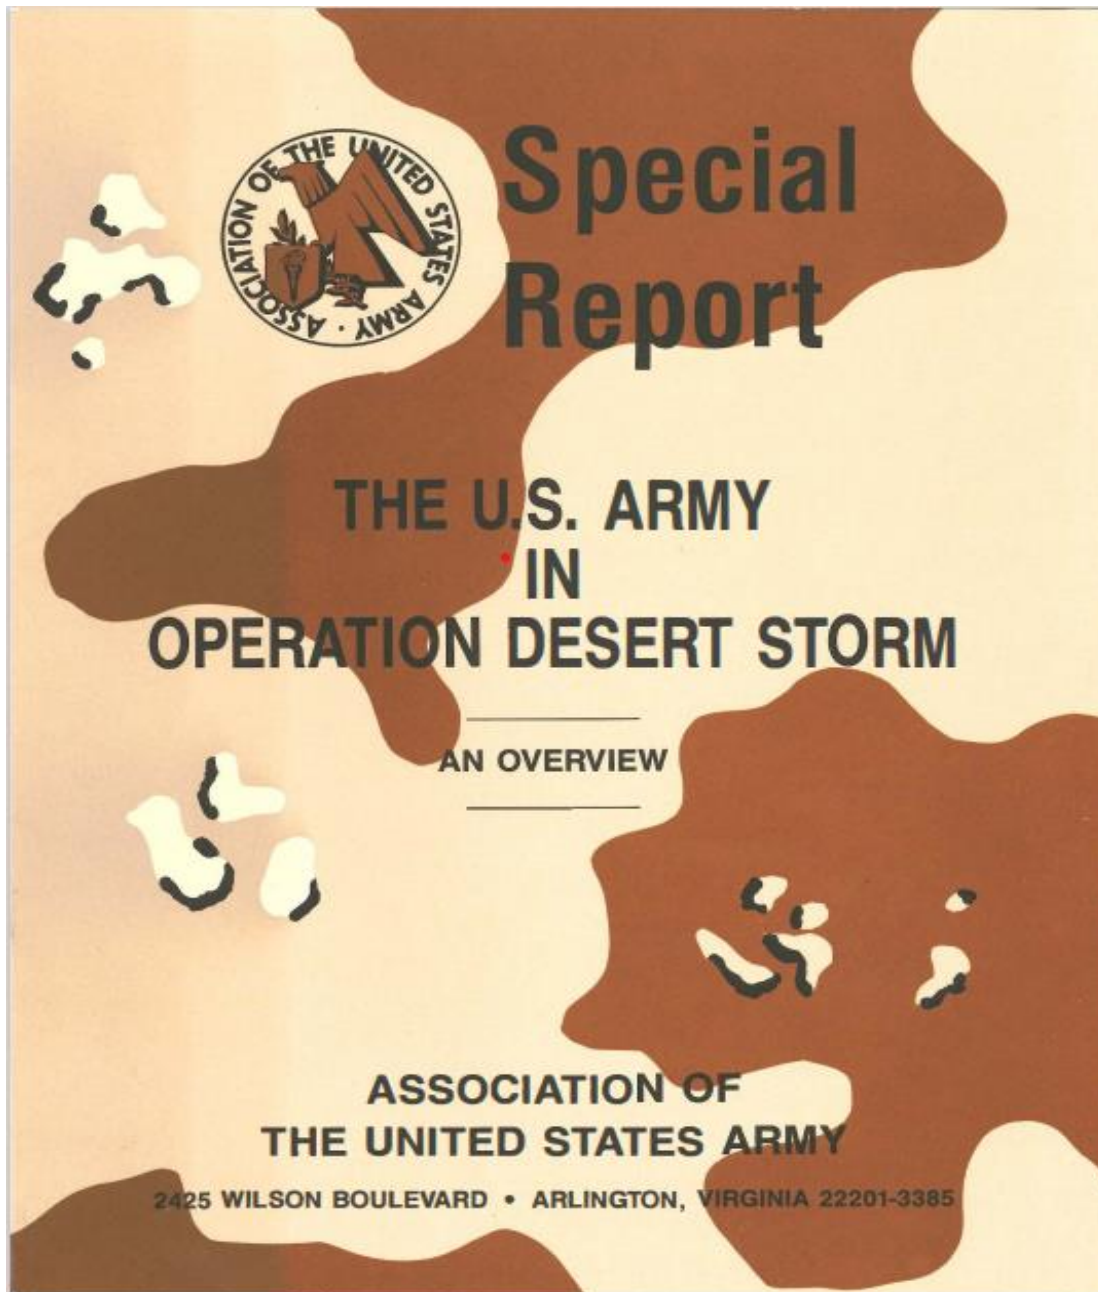

Photo From: <https://www.ausa.org/sites/default/files/SR-1991-The-US-Army-in-Operation-Desert-Storm.pdf>

The purpose of this document is to provide resources for self-study on large-scale combat operations. It includes history, doctrine, and information on our enemies. It is not comprehensive, but rather a starting point for building foundational knowledge.

“If you know the enemy and you know yourself, you need not fear the result of a hundred battles...” - Sun Tzu
