COMMUNITY NOTICE: Fort Moore plans prescribed burns Friday, April 5, 2024.

DATE: Friday, April 5, 2024

FORT MOORE, Ga. – Fort Moore will be conducting prescribed burns within the N06, S01, and S02 Training Areas on Friday 5 April 2024. The wind is predicted to be from the Northwest and will keep smoke away from sensitive areas during execution of the burn. Wind direction is a prediction and may change due to shifts in weather parameters throughout the day.

Smoke from the S01 and S02 prescribed burns in Alabama will be visible from Main Post. The S01 and S02 burns have been coordinated with Lawson Army Airfield due to smoke impacts to the Airfield and flight approaches to the Airfield.
