**Director Maneuver Requirements Division (MRD):**

COL J. Michael James  
Office: 706-545-8355  
E-mail: james.m.james.mil@mail.mil

**Deputy Director Maneuver Requirements Division:**

Mr. John W. Miller III  
Office: 706-626-1225  
E-mail: john.w.miller.civ@mail.mil

**Sequence of Events 11 SEP**

1. **1645-1700** Transition from BLDG 4 to Red Cloud Range (see directions to the right)

2. **1700-1800** Demonstration  
   a. Static display of current capability  
   b. Mortar Turreted Live Fire  
   c. Mortar Turreted Q&A and hands on familiarization

3. **1800** Demonstration complete

**Expanded Purpose:**

Maneuver Requirements Division intends to expand awareness of the potential operational advantages which turreted mortar enables maneuver commanders to conduct independent maneuver in the multi-domain operations

- **New Capabilities:** shoot on the move, multi-round simultaneous impact, increased range, direct fire capability
- **Operational Advantages:** expands the Battalion area of influence and ability to shape operations; increases decision space-time; enables: freedom of maneuver/action, convergence, and improves enemy suppression

*Maintain the battlefield primacy of our Soldiers and the formations in which they fight!*
