

COVID-19 UPDATE: ALL WTC Courses (Except RTAC)

14 Day Restriction of Movement is NOT required IF:

- You are 14 days post completion of final DoD approved COVID-19 vaccination prior to course ATRRS report date.
 - Only authorized documentation to be shown upon arrival: COVID-19 vaccination card or a copy of electronic immunization record.

- You have fully recovered from a laboratory confirmed diagnosis of COVID-19 infection within 90 days of course ATRRS report date.
 - Only authorized documentation to be shown upon arrival (one of the following): Clearance letter/memorandum from a healthcare provider or public health official; Laboratory record of positive COVID-19 infection; DA Form 3349 annotating date of positive test result, signed by appropriate medical authority.

** Students will report to their assigned course on the ATRRS report date IF one of the above qualifications apply.

14 Day Restriction of Movement IS required if Soldiers do not meet at least one of the aforementioned criteria.

- Students will conduct restriction of movement for 14 days prior to ATRRS course report date.
- Students must provide a memo, signed by an O5, confirming adherence to restriction of movement. Sample memorandum will be included with course welcome letters.
- All personnel are encouraged to remain home, however, they are authorized to travel between their place of residence and place of work, and for essential activities. Essential activities are those that support readiness, health, and welfare needs of an individual, their family, and household. Essential activities include, but are not limited to: healthcare needs, grocery shopping (encouraged to use curbside pick-up), postal services, banking, laundry services, and gas stations. Entry into restaurants for sit-down meals is prohibited. Restaurants or fast food establishments offering pick-up or drive-through are permitted. The patronage of bars, defined as a location that makes 50% or more of their revenue from alcohol sales, is prohibited. Public indoor gyms are prohibited. With the guidance of local communities, outdoor physical activities such as running, biking, walking, and family camping are encouraged but limited to groups of 15 or less. Adhere to social-distancing guidance addressed below. All other travel is prohibited.
- All personnel, outside of their household, will wear face masks or coverings and maintain separation of six feet distance from all other personnel at all times both indoors and outdoors.
- Restricted movement personnel must immediately inform their chain of command and/or medical personnel if they exhibit any medical symptoms and will not be permitted to attend the course.
