ATSH-BC

Congratulations on your assignment to the 192d Infantry Brigade. On behalf of the entire 192d Infantry Brigade, we want to extend our warmest welcome to you for what will be an exciting and challenging assignment.

This is a great unit made up of extraordinary, talented professionals executing a vitally important mission – transforming American Civilians into Soldiers for a nation at war. Short of combat, there is no tougher mission than receiving, training and developing highly motivated, physically fit, and disciplined Soldiers who possess expertise in an extensive set of basic combat and infantry specific skills and are prepared to join follow-on forces in combat.

Your tour of duty with the 192d Infantry Brigade will be personally and professionally challenging, yet equally rewarding. It is an honor to be an integral part of the Generating Force in the Army Team training out Soldiers who will shortly be in a combat environment relying on the skills you developed in them.

The 192d Infantry Brigade is comprised of 2d Battalion, 47th Infantry Regiment (Basic Combat Training), 2d Battalion, 54th Infantry Regiment (One Station Unit Training), 2d Battalion, 46th Infantry Regiment (Basic Combat Training), and the 30th Adjutant General Battalion (Reception). Our mission is to conduct Reception and Initial Entry Training to provide combat-ready Soldiers and leaders to the Operational Army.

The Brigade Headquarters is located at Fort Benning on Sand Hill in Moyer Hall, Building 3215. If you have any questions, please contact your unit sponsor or the Brigade Adjutant at (706)544-8620. Again, Welcome!
