

Armor Branch TBB Storyboard

Proponent Vision: Armor officers are leaders of teams who are experts in combined arms, reconnaissance, and security operations. They possess the technical and tactical competence, social and cultural awareness, and oral and written communications skills needed to cultivate trust and teamwork. Armor officers are responsible for training their units for combat to defeat lethal, adaptive enemies in all types of terrain. Armor officers lead their tank formations, closing with and destroying the enemy, as well as lead scouts conducting reconnaissance and security operations. They are physically fit and mentally tough, prepared to succeed under the most adverse conditions. They are leaders who possess a flexibility of mind and can utilize multiple technologies to devise solutions to complex and dynamic challenges. Armor officers are comfortable making decisions in ambiguous environments, developing courses of action, determining and mitigating risks, then precisely and effectively communicating plans to accomplish the task or mission.
