

How to download:

First, download the free application on your device through its app store.

- iBooks for iPad/iPhone
- Kindle for iPad/iPhone, Android, Tablets, Windows phone
- Nook for iPad/iPhone, Android, Tablets

There are other epub reader apps on all platforms as well choose the one you prefer.

On mobile devices -

1. Using web browser, navigate to **eARMOR**.
<http://www.benning.army.mil/armor/eARMOR/ARMORmobile.html>
2. Click on the link to download the version for your device.
3. The file will open in your device.*

**If both iBooks and Nook apps are present, your iPad/iPhone will ask what app you want to use to open the book. Use iBooks for the iPad/iPhone file and Nook for the Nook file. The files are optimized for individual devices.*

Transfer from a computer to mobile devices -

1. Navigate to **eARMOR** in your web browser.
<http://www.benning.army.mil/armor/eARMOR/ARMORmobile.html>
2. Click the link to download the file onto your computer and save the file.
On a PC, right click on the download link and click "Save target as"
3. Use your USB cable to connect the device to your computer and transfer the file.
 - a. iPad/iPhone users can transfer the downloaded file to iTunes on their computer and sync the file to the iBooks app.*
**Make sure the sync settings in iTunes and on your device include books.*
 - b. Nook users [click here](#) for instructions.
 - c. Kindle users [click here](#) to select your device and get instructions.

Viewing file in web browsers:

The magazine is in the .epub file format. It is viewable in Firefox with the "EpubReader" browser add-on. In Firefox go into the add-ons panel and search for "EpubReader."

When the epub opens in the reader, you can save the file.

For reading the files in windows, see <http://www.addictivetips.com/windows-tips/top-4-free-epub-reader-software/> for some suggestions. Also, Adobe provides [Adobe Digital Editions](#).
