ROAD CLOSURE

A section of Davis Hill Road will be closed starting Monday, May 13, 2019. The Fort Benning DPW, in cooperation with Columbus Barricade and Safety, will be closing Davis Hill Road in three phases. The three phase process is necessary to allow traffic access to the housing area while repairs are made to Davis Hill Road. Each phase will take approximately 30 days to complete. This road work is required to reconstruct the roadway, improve the shoulders and update the safety guardrail.

Temporary signage, barricades and other traffic control devices will be utilized during the closure to ensure the safety of all.
