

Fort Benning Soldier for Life Transition Assistance Program

Employer Tour 23 September 2016

****5 Employers attended****

TRANSITION ASSISTANCE PROGRAM

Start Strong • Serve Strong • Reintegrate Strong • Remain Strong

Employers were given the opportunity to wear parachutes and get inside the Bradley Fighting Vehicles and Abrams Tanks

Soldiers led the tour, answered questions and familiarized employers with the skills the Soldiers learn during training at Fort Benning. Attendees were given the opportunity to see the Rangers in Action demonstration, explore and learn about the Bradley Fighting Vehicle, the Abrams Tanks, and the Parachute Riggers

As a result of the tour leaders from Baxter and AAA Cooper met qualified candidates for the positions they are trying to fill as mechanics and plant supervisors. Both companies also wish to pursue opportunities with the Fort Benning Career Skills Program (CSP).
