

Take part and be the future

WestRock Co (WestRock) is a provider of paper and packaging solutions. It manufactures and distributes containerboard and paperboard products such as folding cartons, bleached paperboard, coated recycled paperboard, retail displays, and pulp products.

Warriors to WestRock SkillBridge Program

The Department of Defense has approved WestRock to offer unique career opportunities to military service members in transition. The Warriors to WestRock SkillBridge Program is a 90-day training program located at select manufacturing plant locations across the U.S. During the program, participants will be trained in various disciplines as it pertains to the operations of a paper and packaging plant. Training curriculum includes operations, maintenance, production, shipping/receiving, quality, and safety. Prior to the completion of the 90-day program, participants will be given an opportunity to interview for a full-time position at the plant.

Program Requirements

- + Candidates must be in their last 180 days of service prior to end of active-duty service.
- + Military experience in logistics, operations, warehouse, quality, maintenance, process improvement, and/or related backgrounds is required.
- + Must be able to relocate to the selected plant location.
- + Candidates must complete a SkillBridge Program survey.
