(1) Persons residing on Fort Benning who own firearms must register each firearm within 10 working days of bringing the firearm onto post; this includes weapons purchased at AAFES. Persons PCSing into Fort Benning are authorized to secure a firearm in on post quarters until registration is completed. At no time can the firearm be removed from the quarters while obtaining permission to register the weapon. Hunter education class information can be found at http://www.benning.army.mi/garrison/dpw/EMD/wildlife.htm.
(2) Commanders may also evaluate the Soldiers level of experience when determining if the Soldier is appropriately trained and is capable of providing appropriate training to his or her Family members.

(3) Commanders may also create unit level firearms training programs to educate Soldiers and Family members. This is not mandatory and at the discretion of the commander.

(2) All persons not residing on Fort Benning are required to register each firearm they intend to introduce to the installation for engaging in an authorized activity prior to bringing the weapon onto the installation.

(3) Bows and cross bows are not required to be registered.

b. Persons failing to register the privately owned firearms will be denied access to the installation.

c. Authorized sponsors must register weapons for juvenile hunters.

d. Firearms will be registered in the Centralized Operations Police Suite (COPS) weapons registration module. Registration will be completed using FB (DES) Form 190-11-R, which is located at the back of this regulation and may be reproduced on office copiers.

i. Persons are required to produce, upon request, the firearms registration document to any Military Police Officer, Department of the Army Police Officer, Conservation Law Enforcement Officer, or Department of the Army Security Guard. j. Firearms need only be registered once on Fort Benning. If additional firearms are purchased and intended for use on Fort Benning the person must submit an updated registration form, with only the new weapon, before the weapon is used for any recreational activity. Soldiers registering new weapons must obtain the commander’s approval when registering additional weapons.

g. Paintball guns may only be fired on approved MWR sites or under command directed activities (e.g. training events, law enforcement missions, etc.).

2-6. Ammunition and Explosives.

Personnel assigned to guard duties will be authorized to carry
