49 BOOK REVIEWS

COVER: Whether light or heavy, the infantry force has always had to close with and destroy the enemy, often on his own terrain. This issue's cover is taken from a photograph of U.S. infantrymen operating in the Central Highlands of Vietnam, and reflects yet another of the varying environments under which tomorrow's infantry will have to operate.

• **INFANTRY** (ISSN: 0019-9532) is an Army professional bulletin prepared for bimonthly publication by the U.S. Army Infantry School at Building 4, Fort Benning, Georgia. • Although it contains professional information for the Infantryman, the content does not necessarily reflect the official Army position and does not supersede any information presented in other official Army publications. • Unless otherwise stated, the views herein are those of the authors and not necessarily those of the Department of Defense or any element of it. • Official distribution is to infantry and infantry-related units and to appropriate staff agencies and service schools. • Direct communication concerning editorial policies and subscription rates is authorized to Editor, INFANTRY, P.O.
