COVER: The conduct of the stability and support missions that the Army can expect to perform as we enter the next century will draw heavily upon our experience in earlier combat and peace-keeping operations. This issue's cover—an artist's conception of a mechanized force supported by aviation in Vietnam—captures the spirit of the combined arms concept.

• **INFANTRY** (ISSN: 0019-9532) is an Army professional bulletin prepared for bimonthly publication by the U.S. Army Infantry School at Building 4, Fort Benning, Georgia. • Although it contains professional information for the Infantryman, the content does not necessarily reflect the official Army position and does not supersede any information presented in other official Army publications. • Unless otherwise stated, the views herein are those of the authors and not necessarily those of the Department of Defense or any element of it. • Official distribution is to infantry and infantry-related units and to appropriate staff agencies and service schools. • Direct communication concerning editorial policies and subscription rates is authorized to Editor, INFANTRY, P.O.
