FRONT COVER: In the first week of June 1951, two infantrymen of the U.S. 3d Infantry Division are seen laying in their Browning Cal. .50 M2 machinegun during the drive on Chorwon-Kimhwa to consolidate positions along Phase Line Wyoming. This and other similar actions facilitated stabilization of a line of demarcation along the 38th Parallel at the conclusion of the Korean War.

• **INFANTRY** (ISSN: 0019-9532) is an Army professional bulletin prepared for bimonthly publication by the U.S. Army Infantry School at Building 4, Fort Benning, Georgia. • Although it contains professional information for the Infantryman, the content does not necessarily reflect the official Army position and does not supersede any information presented in other official Army publications. • Unless otherwise stated, the views herein are those of the authors and not necessarily those of the Department of Defense or any element of it. • Official distribution is to infantry and infantry-related units and to appropriate staff agencies and service schools. • Direct communication concerning editorial policies and subscription rates is authorized to Editor, INFANTRY, P.O.
