FRONT COVER: In this Korean War scene based upon an official U.S. Army photograph from November, 1951, a soldier of Company G, 31st Infantry Regiment, 7th Infantry Division, scans terrain in the vicinity of Koto-ri for signs of enemy activity. Infantry soldiers, such as this man with his M-1 Garand rifle, represented the spirit of the Infantry at its finest.

• **INFANTRY** (ISSN: 0019-9532) is an Army professional bulletin prepared for bimonthly publication by the U.S. Army Infantry School at Building 4, Fort Benning, Georgia. • Although it contains professional information for the Infantryman, the content does not necessarily reflect the official Army position and does not supersede any information presented in other official Army publications. • Unless otherwise stated, the views herein are those of the authors and not necessarily those of the Department of Defense or any element of it. • Official distribution is to infantry and infantry-related units and to appropriate staff agencies and service schools. • Direct communication concerning editorial policies and subscription rates is authorized to Editor, INFANTRY, P.O.
