

PB 7-06-4

# Infantry

July-August 2006

A photograph of an infantry unit in a field. In the center, a large military vehicle, possibly an M2 Bradley, is parked on a dirt road. Two soldiers in full combat gear are walking towards the camera in the foreground, one on the left and one on the right. Another soldier is visible in the background near the vehicle. The terrain is dry and dusty, with some green vegetation in the distance under a clear sky.
