The Reconnaissance and Surveillance Leaders Course is a 26-day course at Fort Benning, GA. The purpose of the course is to teach reconnaissance, surveillance, and target acquisition fundamentals to Soldiers, NCOs, and Officers who are currently or may one day find themselves serving in Reconnaissance Units. RSLC is a physically and mentally demanding course where one block of instruction builds upon the next, resulting in a multi-day, graded, field training exercise where students will execute skills learned in both urban and wooded environments.

Students will report in a sanitized uniform to RSLC at 1200 on Sunday. Report to the covered training area in the RLSC compound on Chappell Rd, located just off Old Cusseta Rd. in the Harmony Church area of Ft. Benning.

It is the Unit's responsibility to ensure a student has met all administrative, medical, and physical requirements for RSLC.
