Dear Contractor/Vendor;

With the implementation of the Government's General Services Administration (GSA) Smart Pay card program, credit card purchases that are billed and paid directly by the Federal Government are exempt from sales tax. The Government Purchase Card (GPC) is embossed with the statement — "U.S. GOVT TAX EXEMPT".

Most states have provided written confirmation recognizing the tax exempt status on purchases made with the GPC; you can find the various tax exempt letters at the website below;

<http://apps.fss.gsa.gov/services/gsa-smartpay/taxletter/>

All cards issued by the banks that participate in the GSA Smart Pay program have unique prefixes and account numbers, government-designed artwork, and wording that denote the card is for use by the United States of America.

If further information is required, please contact this office at (706) 545-2277 or email laura.segovia@us.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven J. Sullivan".
